Net 15 — paid within 15 days

Net 7 — paid within 7 days

Due Upon Receipt — paid right away once approved

BEFORE YOU SUBMIT

List **each service on its own line**. Every line must show its own date of work, unit number, and type of work. Repeat a unit number on separate lines if two distinct services were performed in that unit — do not combine services into one lump-sum line. Group all lines for a single property address on one invoice. Where a PO has been issued, PO numbers must run in consecutive order — no gaps, reuse, or skipped values. The subtotal and total must equal the sum of the individual line amounts.
