Subcontractor Onboarding — Packet Index

Purpose: *The complete set of forms. Each is a separate document. Complete every required item; “if applicable” items only when they apply to you.*

All paperwork in this packet must be completed to onboard as a subcontractor with Archangel Contracting Services.

The master agreement

Every vendor signs **one master**: the **Comprehensive Master Subcontractor Agreement** (core terms plus field, documentation, technology, branding, and uniform requirements). For **Net 30** vendors, use the **Comprehensive (Net 30)** version, which has Net 30 built in. For other vendors, payment terms are set in the Work Order.
