

N. Company-Provided Equipment & Supplies Agreement

Purpose: *Equipment Archangel issues to you — and your obligation to return it.*

This Agreement applies whenever Archangel Contracting Services (“Company”) provides equipment, tools, devices, uniforms, keys/access devices, or supplies (“Equipment”) to the undersigned Subcontractor.

1. Company Property. All Equipment remains Company’s property, is issued for Company work only, and must be kept secure and in good condition.

2. Care & Responsibility. Subcontractor uses the Equipment only for Company work and is responsible for loss, theft, or damage beyond normal wear while it is in Subcontractor’s possession.

3. Return on Termination. Upon termination of the relationship — or earlier on Company’s request — Subcontractor will promptly return all Equipment in good condition.

4. DEDUCTION FROM FINAL PAYMENT. IF ANY EQUIPMENT IS NOT RETURNED, OR IS RETURNED LOST OR DAMAGED BEYOND NORMAL WEAR, THE REPLACEMENT VALUE LISTED BELOW (OR COMPANY’S REASONABLE REPLACEMENT COST) WILL BE DEDUCTED FROM SUBCONTRACTOR’S FINAL PAYMENT, AND SUBCONTRACTOR REMAINS LIABLE FOR ANY REMAINING BALANCE.

5. Items Added Later. Equipment issued after onboarding is recorded on the Issuance Log (Form N-1) and is subject to these same terms.
